

Compliance and Code of Conduct

As member of EFPIA (European Federation of Pharmaceutical Industries Association) Life Molecular Imaging (formerly Piramal Imaging) is committed to comply with the EFPIA codes of standard as well as with applicable national laws and regulations for an open and transparent relationship with stakeholders across healthcare including healthcare professionals (HCPs), EU institutions and patient organizations.

Transparency Reporting for Calendar Year 2018

Consultancy-, Speaker- & Reader Training Agreements

In Calendar Year 2018, Life Molecular Imaging (formerly Piramal Imaging) paid Health Care Professionals for contractual services including consultancy services, acting as speaker at congresses or at educational sessions and for conducting Neuraceq reader trainings in the EU. In 2018, no payments were made for accommodation, travel and/or congress registration fees for Health Care Professionals under these contracts in the EU.

Sponsorships

Five scientific congresses and one educational event involving four individual Health Care Professionals were sponsored in Calendar Year 2018 in the EU.

Table: Number and compensation of Contractual Services and Sponsorships in 2018 in the EU

Item	Number of Health Care Professionals / Sponsored Events	Number of Contractual Services	Aggregated Amount* [EUR]
Study-, Sponsoring-, Service- or Consultancy Agreements	13	13	12.480,00
Travel & Accommodation	0	0	0,00
EFPIA Fee	1		5.000,00
Educational Event	4	4	2.000,00

*All payments are reported as net values, excluding Value Added Tax (VAT).
